MINISTRY OF PRAYER

If you would value prayer for yourself or someone else, no matter how serious or trivial it may seem, come and pray in confidence with members of the Prayer Team who are available after the services. They can be identified by their yellow badge. God is interested in your need and He is big enough to cope with it!

Induction Loop: We have an induction loop in the church

Large paper prints of words are also available

The Church is funded by individual donations. Collections in services are an opportunity for church members to contribute to the church's ministry.

If you are a visitor, please feel free to pass the offertory bag on.

GROWING IN THE USE OF SPIRITUAL GIFTS: If you missed the excellent New Wine day at St. Luke's on 14th October, or would like to refresh your memory of it, you can listen to a recording. Living with a dementia related illness is challenging, whether you are the patient or a family carer. Westfield Health want to help. If you, or a member of your family, have recently been diagnosed with a dementia related illness and are currently living independently we would very much like to hear from you. We are working in partnership with the Sheffield Regional NHS Test Bed, Sheffield Hallam University and the Alzheimer's Society and need a small number of volunteers for an independent dementia related research study. Covering the entire South Yorkshire region, the research will be focused on understanding whether a simple piece of technology, a 3rings plug, can support loved ones with early stage dementia to live independently and help their families cope better. If you and are willing to participate in the research, please contact the programme team on 0114 250 2358 or email pdavidson@WestfieldHealth.com for further details.

Please try to arrive a few minutes early on those Sundays to pick up your badge from the Blackbrook Road entrance area. If your name has been missed, there'll be a sheet to sign so that a badge can be made for you. The churchwardens
