## Adrian & Bridget Plass

Adrian began his writing career in 1987 with the Sacred Diary of Adrian Plass aged 37<sup>3</sup>/<sub>4</sub>, a gently anarchic look at what happens under the surface of Christian living. Since then Adrian has written over 35 books, the latest being The Shadow Doctor published in 2017. He and his wife Bridget have travelled all over the world performing and teaching in every setting you can imagine and some you probably can't. In recent years they have much enjoyed getting to know people during church weekends and look forward to meeting you next year.

I/We would like to attend the weekend away, please reserve for me/us the following accommodation:
