

So far our supporters have raised £204.04 through using the Easy Fundraising website. Every time you buy something online from certain retailers (including Amazon, Ebay, M&S) they give us some money. It's so easy and with Christmas around the corner we'd love for you to get on board.

1. Visit the website www.easyfundraising.org.uk.
2. Click on 'Search for a cause' and type 'St Luke's Church Lodge Moor' and click 'Join us'. Our logo will be present.

3. Fill out the quick form to create your account.
 4. If you are eligible, please fill in the gift aid section too.
 5. To make using easyfundraising easier, consider if you'd like to download their toolbar too
- A. Once you are registered, you can go to the easyfundraising website and find the retailer you want to shop with in the search box.
 - B. Click to visit the retailer and shop as you normally would.
 - C. Your donation will be shown in your account within 30 days – you'll be able to see how you are helping our cause.

If you need any help in setting up an account then please give Michelle a call in the Church Office on 0114 2303 199
